

TURTLE MAMAS BEWARE!

the 25th Annual Sand Sculpting Contest
is scheduled to take place in front of the Sea Side Hotel the evening of

July 12th 2004

A bulldozer will be coming to the beach to remove several loads of sand from the dune area for use in the sculptures. Your nest may be in jeopardy!

Instead, try the County Park- it's close by and there aren't any lights to confuse your hatchlings. Be sure to pick a high spot on stable ground.
